Attorney's Docket No.: 11077-002002

### REMARKS

Applicant cancels the originally filed claims and substitutes claims 47-89. These claims are in a form that is more customary in U.S. practice.

Now pending in this application are forty-two claims, numbered 47-89, of which three (claims 47, 65 and 83) are independent.

The claims presented herein correspond to those not elected in response to a restriction requirement early in the prosecution of the parent case. No new matter is introduced.

No additional fees are believed to be due in connection with the filing of this preliminary amendment. However, if additional fees are due, or if an overpayment has been made, please adjust our deposit account 06-1050.

Respectfully submitted,

Date: June 4, 2001
